

Modular Changing Places

Specifications and Features

External and Internal Options

Our modular Changing Places offer a wide range of different external and internal finishes to match your environment. Choose from an array of finishes for external cladding, internal waterproof panels and flooring, to create a bespoke package to suit your needs. We also offer options for changing benches, toilets, wash basins, showers and colour/finishes for grab rails. Once you have selected your options, we can prepare 3D visualisations for you to view before the project progresses to the build stage.

Cladding

To ensure our modular facility fits in with your environment and surrounding areas, they arrive prefinished in 21 of today's most popular colours.

Capturing the warmth and tradition of Cedar cladding, recreated in sustainable composite form to deliver unparalleled performance, our range of cladding delivers the perfect aesthetics to match your existing building and environment.

Prices starting from £50,000 for complete modular Changing Places package.
